**Notes**

1. 'Sheffield Style Cycle Hoops' to be galvanized to reduce maintenance requirements.
2. 'Edinburgh Style Cast Iron Bollards' will match existing Inverkeithing Town Centre bollards. These are to be embossed with a motif prior to installation.
3. 'Eros Style Stainless Steel Bin' are to be installed in the similar positions as current litter bins. This style is becoming a standard throughout most towns in Fife and is of a style which satisfies Fife Council Waste Collectors.
4. 'Green Oak Planters'. Please refer to Drg. P60059-1200-DF01-Planter for further information. This style will be used in 2no. planter options 2400mm by 2400mm planters will hold larger vegetation species as specified in Drg. P60059-002 Plan. 2400mm by 1200mm will be used for smaller vegetation species.
- 5/6/7. 'Green Oak Benches' please refer to Drg. P60059-1200-DF02-Bench for further information. A mixture of each bench type will be used in the locations shown in Drg. P60059-002 Plan.
8. '10m Aluminium Style Lighting Column' will replace existing columns. These will tie in and match the existing columns to the north and south of the site boundary and will standardize the column and head style. This will aid in future maintenance.
